### FIVE CANDIDATES TRY FOR TWO SCHOOL BOARD JOBS

#### \$200 Reward Offered In Newsstand Hoodlumism

A reward of \$200 is being offered for information leading to the apprehension of the culprit who stole several hundred copies of the Spring Valley Bulletin from newsstands throughout the La Presa District last week.

The hoodlums brought the newspapers during the night to this office and tossed them into the parking lot. The newspaper carried a scathing editorial on the then-upcoming La Presa Water District election.

At least one tip suggests that the person involved had an interest in the election. The candidate who lost, is not suspected.

One of the re-elected directors of the water district, Ralph Chapman, together with the chairman of the board, Fred Hansen, have put up \$150 of the reward.

The publisher of this newspaper is putting up the other \$50.

Information will be accepted by Max Goodwin at this newspaper's office (call HO 9-0101) or at the L.G. substation of the County Sheriff's office.

#### Hesser Heads Phillip's School Board Campaign

B. C. "Charlie" Hesser, local realtor has been named chairman of the Committee To Elect Dr. Frank Phillips to the Lemon Grove School Board.

Hesser, a resident of Lemon Grove for 11 years is past-president of the L.G. Chamber of Commerce and is past State Commander of the V.F.W.

"We must elect a man who has the integrity and capabilities to insure the best education possible for our children," Hesser said. "Dr. Phillips is my choice."

Other members serving on the committee include Rev. Orval Butcher, pastor of Skyline Wesleyan Methodist Church and Dr. Stanley Yanchul, a L.G. chiropractor.

#### COMMITTEE ENDORSES SJOGREN, BISTLINE FOR SCHOOL BOARD

John Dail, L.G. insurance man, has been named to head a committee to support the re-election of Attorney Robert Sjogren and the election of Dean Bistline to the Lemon Grove school board.

The committee, called the L.G. Better Schools Committee, conducted "an independent investigation of four of the five candidates."

Questionnaires were sent to all candidates but only four responded, Dail said. He did not say who refused.

Dail said the Committee was organized to help maintain the high standards and quality of our present local school system. He said the Committee has worked to provide the high calibre of relationship that has existed between the L.G. schools and the people of L.G.

"We endorsed and campaigned for the additional funds required by schools to meet their financial needs. We have been successful in these undertakings," Dail stated.

The Committee said that Sjogren had "performed commendably during the past four years of service to the board."

Dail said Bistline, with his business background and other qualifications, will greatly contribute to the fine leadership already displayed by the present board.

Bistline is a teacher in the S.D. school system.

#### Attorney Bob Sjogren Only Incumbent In Race

Local interest in the Lemon Grove school district is being accentuated by five candidates running in a race for two seats on the district's board of trustees.

Only one, Robert Sjogren, an attorney, is running for re-election. The others are without previous school board experience.

Ray Lange, longtime trustee who was the steady influence of the five man board, declined to make himself available again due to pressure of business.

The five candidates, including Attorney Sjogren, refer to their interest in schools as their cause for candidacy.

The candidates are, alphabetically, Dean Bistline, Dona Clabby, Dr. Frank Phillips, Robert Sjogren and Lyle Stumbaugh.

The five Lemon Grove school board candidates will be introduced at an informal coffee to be held this Saturday from 2-4 p.m. in Mayflower Hall at L.G. Congregational Church on Glebe rd.

The event is being sponsored by the church's Social Action Committee and the public is invited.

Locally, Dean Bistline, Dona Clabby, Dr. Frank Phillips, Robert Sjogren and Lyle Stumbaugh.

Information will be accepted by Max Goodwin at this newspaper's office (call HO 9-0101) or at the L.G. substation of the County Sheriff's office.

DEAN BISTLINE

DEAN BISTLINE lives at 1661 Cameron, Monterey Heights and has been a school teacher for six years. He teaches world history, world geography and is ASB advisor at Morse high school.

The Bistlines have five children, ranging from a boy at State to a 9-year oldster.

"I am not running against anyone," Bistline said. "I feel that I can contribute something to the direction of the district by my six year's junior high school experience."

"I believe stronger programs in junior high areas can avert potential drop-outs," he said.

Bistline was the recipient of the Freedom Foundation Teachers Medal for leadership in Southeast S.D. schools. He is also on the S.E. S.D. YMCA Board of Management.

BOB SJOGREN

BOB SJOGREN, who has been on the school board since 1959, is an attorney. He is a member of the S.D. and the Foothills Bar Association. He is a member of the Monterey Heights PTA and the L.G. Con-

"My candidacy for the Lemon Grove School Board is based on a sincere desire to help continue the good, sound program of instruction now offered children of this community. I am satisfied that our present Board and Staff is doing a great service to our district and would work cooperatively with them," Stumbaugh said.

"As a lay citizen representing all the people of the district, I would be concerned with the needs of all children, and would encourage Lemon Grove to continue its strong program of teaching basic fundamentals, coupled with essential offerings in courses like music and art, designed to develop cultural appreciation."

"It has been my privilege, as a parent, a PTA member, and a member of Music Parents, to work with the schools over the past thirteen years that my children have been in this district."

#### Men's Club Helps George Casteel Mark Birthday

It will be old-timers day Friday at the L.G. Men's Club meeting when members gather at Michael's at noon.

Honor will be paid to George Casteel, once called the "Scattergood Baines of Lemon Grove," who will mark his 80th birthday. He has lived in L.G. since 1926 when he started the subdivision now known as Monterey Heights.

At the Friday meeting Larry Freeman, an executive with the Union-Tribune will tell about the earlier days of Lemon Grove. Freeman has written many articles about S.D. county areas.

Last week the group heard Neil Goode, a 15-year old Life Scout tell what makes scouting go . . . and how Scouting strengthens the nation. He was made an honorary member of the Men's Club, the only youth ever given that honor.

The club invites all males to attend the meeting. There is no dues or membership fees, according to Jack Cummings, president.

### Spaghetti Stretches To El Centro and Back In First L.G. Crazy Daze Promotion

It was real crazy in Lemon Grove last week.

Local business firms held their first Crazy Daze event and if you think you were confused by the unusual and interesting bargains, think of the poor businessmen.

Example: Ted Fetters, who had a spaghetti lunch for 19¢ reported that the total length of the spaghetti, if laid end-to-end would have reached to El Centro and back.

Jim Spears, who operates a Ford agency here said that his

##### We Solve JFK's Employment Problem

The President's tax reduction program to stem the rising tide of unemployment is right in theory but wrong in application.

He proposes to increase gross national product (Washington egg-heads refer to it familiarly as GNP) by leaving a little more money in the hands of the consumer.

Because of the inflationary response to the decrease in governmental income without a collateral decrease in spending, we will not move off the peg. It will simply cost more to buy things with the added money we will have as a result of the tax cut.

A good comparison is the fellow who cut the ribbon off on one end and sewed it on the other to make it longer.

Now if the President wants to know how to do the tax cutting trick to increase employment, let him read this.

All he has to do is reduce employment taxes.

Every small employer we know has his personnel level at an irreducible low. The reason, in most cases, is that various levels of government penalize the employer for every person he hires.

Employees may complain about the taxes that are deducted from their weekly pay check but not all of them know that the employer, in addition to paying these taxes withheld, is taxed at four additional levels for every person on his rolls.

In face of national concern about growing unemployment, it seems unthinkable that we penalize an employer every time he adds another person to his payroll.

It doesn't really seem logical as we write it! A penalty laid on the employer whenever he hires a person while the government is in a tizzy about the growing ratio of unemployment is egg headed silliness.

It would be more reasonable to pay employers a bounty every time they take another guy off the unemployment rolls.

President Kennedy could increase employment by simply rescinding all employer taxes.

### Pernicano Succeeds Vaught As L.G. C. of C. President

Sam Pernicano, L.G. pizza specialist, was elected president of the L.G. Chamber of Commerce Tuesday at the group's annual election meeting.

He succeeds Bob Vaught, local camera shop operator.

Other officers elected at the noon meeting included Don John, Goodrich store manager, vice president; Ed Burt, First National Bank vice-president, treasurer; and Forrest Baxter, sheet metal firm operator, veterans chamber workhorse and secretary.

Late last month an election to fill six vacancies on the board was held. Elected at that time were: Pernicano, Jesse Lee, travel agent; Burt, Attorney Bill Davies; Lotis Brouillard, hardware store operator; and Johns.

The nominating committee

had unanimously recommended the election of the officers.

Earl Smart, an attorney, resigned from the board because of the pressure of business.

Pernicano said he would fill the vacancy at the next meeting.

In other action the chamber agreed to help revitalize the junior chamber and to undertake a project for the benefit of Country Sheriff Hal Johnston who has been ill in Paradise Valley hospital following surgery.

Acceptance of new members included Delco Electric, Twedt Realty, Jack-in-the-Box and Pickel Bookkeeping Inc.

#### School Board Takes Look At New Budget

School board members received a preliminary 1963-64 budget of \$1.8 million dollars Monday night for study and consideration. Based on the new operating tax of \$1.99 voted by residents last month, the budget allows for proportional increases in present budget items.

One main consideration for next term is the item of teachers' salaries which now averages \$250 below those of neighboring districts. Superintendent Netzel said that the additional \$90,000, allotted equally among operating expenses in all areas, would provide an estimated 2 to 3 per cent increase in salaries, including the annual increment.

The teachers' association salary committee requested the Board to consider adopting a ratio salary plan. This plan, based on the current schedule, would cost an additional \$15,000. They urged the Board to endorse AB 888, a legislative measure designed to bring another \$80,000 to Lemon Grove schools.

Acting on Superintendent Netzel's recommendation, the Board passed a resolution supporting AB 888, a State Department of Education sponsored bill, which includes the county-wide tax proposal found in most school finance bills now in Sacramento. The Lemon Grove District Teachers Association passed a similar resolution at their March meeting.

Netzel pointed out that if AB 888 becomes law, Lemon Grove would profit financially. A preliminary budget based on this apportionment plan would be \$1.9 million, allowing sufficient funds to increase salaries to San Diego county averages and to provide well for other important educational services and programs.

Netzel said that the \$1.9 million budget is the maximum possible. He pointed out that AB 888 has yet to become a law.

**POCKET BRAILLER**—Archie L. McClellan, (center), of 5292 Imperial demonstrates a "pocket Brailer"—a newly invented typewriter for the blind.

McClellan, a former sheet metal worker who has been blind six years has learned to read and write Braille since his affliction.

He is now learning to use the Pocket Brailer so that he can write a book spotlighting under engineering.

Shown with him are Bo's York, (left) president of the L.G. Lions club and Dr. Calvin Nicholl, optometrist, chairman of the Lions Sight Conservation Committee.

The Pocket Brailer was donated to McClellan by the club. The Brailer is supplied to Lions Clubs throughout the world at cost through the effort of San Diego physician Dr. Alfred E. Banks, who invented the machine. Dr. Banks was blinded during WWI.

McClellan's wife Ethel says he is adept at housework. He does the dishes and waters the lawn, she says.

Previously, blind people laborously used a "needle" to record their "writings."

Our recommendation that a subsidy be paid the employer isn't too far-fetched. It's no more silly than the subsidy paid to people for not growing potatoes, peanuts, hogs, wheat, and corn.

If you want to write something that has a chance of living forever, sign a mortgage.

Franklin (La.) Tribune

### More Promises, Promises . . .

We continue here a list of John F. Kennedy's campaign promises vs. performance since taking office.

The following were certified by the Republican Congressional Committee in their Newsletter.

**PROMISE:** "I am not promising action in the first 100 days alone . . . I am promising you one thousand days of exacting Presidential leadership. I want to be a President who believes in working full-time." J. F. Kennedy, Nov. 5, 1960, New York, N.Y.

**PERFORMANCE:** In his first two years of office, Kennedy has been away from the White House 215 days, almost 1/3 of the time, vacationing, yachting, etc., at such places as Hyannisport, Palm Beach, Newport, Glen Ora and elsewhere.

**PROMISE:** "... There is currently a dispute over whether the Administration should spend the additional defense funds voted by the last Congress . . . these funds must be unfrozen and spent." — John F. Kennedy, Sept. 20, 1960, Washington, D.C.

**PERFORMANCE:** Kennedy froze millions Congress appropriated to develop the ultra-sonic B-70 bomber. He has frozen veterans direct loan funds and Skybolt missile funds which Congress appropriated for these programs.

**PROMISE:** "Nepotism is dangerous to the public interest and to our national morality." John F. Kennedy, Oct. 18, 1960, Washington, D.C.

**PERFORMANCE:** Ranging from brothers to brothers-in-law, the President has brought his relatives into high Administrative posts from the very beginning. As Comedian Bob Hope cracked recently: "In America, we have just two classes — the people and the Kennedys. And there are more Kennedys than people."

**PROMISE:** "In my judgement, an effective Attorney General with the present laws we now have on the books can remove Mr. Hoffa from office." — John F. Kennedy, Sept. 23, 1960, Salt Lake City, Utah.

**PERFORMANCE:** The Attorney General, the President's brother Bobby, has been unable to nail Hoffa in court although he has tried on various charges. Hoffa maintains a firm grip as head of the Teamsters Union.

**PROMISE:** "It is time for a fresh and imaginative program to resolve the problem of our Nation's timber industry." — John F. Kennedy, Sept. 7, 1960, Salem, Oregon.

**PERFORMANCE:** The timber industry has suffered steadily decreasing vigor since the New Frontier opened the floodgates of Canadian timber. The Administration has suggested the lumber industry is "expendable" in the interests of world trade pacts.

**PROMISE:** "The dairy farmers of the country . . . their income has steadily dropped. The reason has been, of course, that this administration has been manned by people with little imagination." John F. Kennedy, Oct. 24, 1960, Rockford, Ill.

**PERFORMANCE:** Imaginative Orville Freeman came up with the idea of clapping dairy farmers in Federal prison if they didn't conform to his idea of how their industry should be run. Dairy income dropped from 80 to 75% of parity under Freeman.

## L.G. YOUTH ADMITS FATAL TRUCK CRASH

Ronald Priest, 17, of 8346 Robinstatement. Dorion also had a license, Lemon Grove, admitted to San Diego police Tuesday that he was the driver of a pickup truck involved in a fatal accident Friday night on Sloane Canyon rd.

An El Cajon girl, Linda Rae Meeker, 14, a passenger in the truck, died Monday in E.C. Valley hospital of injuries suffered in the accident.

She lay injured in a canyon for eight hours before aid came. Barton D. Dorion, 20, of La Cresta and James C. Eggerle, 17, of Suncrest, and Priest, agreed to tell police that Dorion was the driver because Priest had lost his driving rights but his license was soon due for re-

instatement. Dorion also had lost his driver's permit. All were in the vehicle at the time of the accident. Priest works in La Cresta as a filling station attendant.

A 1911 Improvement Act proceeding is underway to finance the system.

## Five Candidates Try For Two School Board Seats

(Continued)

As a result, I am aware of many of the problems education faces, including adequate financing, and competent teachers," Stumbaugh said.

Good teachers make good schools. The successful tax election means that the Lemon Grove district now can offer teachers salaries that are competitive with surrounding districts, ensuring the best possible staff to instruct our children.

"I firmly believe in the traditional school board, composed of lay individuals, that works as a team to guarantee the best possible education for our boys and girls, and that employs the best possible staff to implement its programs and policies," he said.

DR. PHILLIPS

DR. FRANK L. PHILLIPS, a chiropractor of 2523 Washington ave., Lemon Grove, has lived here two years. He plans to open an office in Lomita Village soon.

He first came to S.D. in 1952 as a sailor from Kansas City.

Mo. He came back in 1961 to stay. Meanwhile he completed his schooling which included attendance at Cleveland Chiropractic College in Los Angeles, then worked in a Kansas City chiropractic clinic before coming to Lemon Grove.

He said his hobby is reading medical texts and publications. There is a committee working to get Dr. Phillips elected to the board. The committee includes Charles Hesser, Dr. Stanley Yanchul, chiropractor, and the Rev. O. C. Butcher of the Skyline Methodist church.

Recently, Rev. Butcher and Dr. Phillips objected to a book, "The Last Temptation of Christ" being offered in the L.G. Library. Both men made public demands that the book be removed. The book is still on the library's shelves by order of the County Librarian.

DONA CLABBY

MRS. THOMAS CLABBY, of 1650 Angelus ave., a housewife, has lived here 8 years. Her husband is a supervisor in the tooling department at Rohr Corp. The couple have two children, 9 and 7.

## Spaghetti Stretches To El Centro, Back In L.G. Crazy Daze

(Continued)

Brouillard's Hardware. She told a reporter for this newspaper "it was the first time I ever won anything. I don't own the place I'm living in so I'll have to convince my landlord that he ought to paint my living room with the paint I won."

Some of the business people were wearing Napoleon-type hats. These were made by students at Lemon Grove Junior high and were a symbol of the lunacy business people here were presumed to have to let their wares go so cheaply. The hats were designed by Frosty Foster manager of the L.G. C. of C.

### Band Plays

Foster also arranged for the Mt. Miguel band to play in the business community Friday and Saturday. He obtained a flat-bed trailer and pulled it with his auto.

Some of the other responses to the Crazy Daze promotion were made by various participants:

Lee Galland, Grove Liquor, "I sold 162 gallons of ice cream." McMahan's sold out the advertised merchandise the first day.

Lemon Grove Yardage, "Very good."

Imperial Douglas, sold out of everything but tires.

Burrison's sold "30 or more pairs of shoes" from their promotion.

Jack-in-the-Box—100 orders of French fries.

Brumley's sold about 100 pairs of tennies and 20 handbags.

Floyd's Toy Town. Toys moved lively.

Others said things were the same. Others said they were worse. But in all, there was enough sense of solid business revival in the town to convince all that the formula for selling more mouse traps hasn't changed.

# FEDERAL SURVEY CARDS CAN BE WORTH MONEY TO SCHOOL DISTRICTS

School districts get money from the federal government for students who have one or more parents employed on government property.

The Grossmont Union High district has sent out its "federal survey" cards to determine how many parents are in this category.

The collection deadline on the cards is April 5.

Miss Teresa Sweet Towne is chairman of the Mooseheart committee.

# Two Blocks Home; Three To Go For Family Hurt In Hemet Auto Collision

The Block family is recuperating nicely but slowly, according to the word of Vernon Block's brother, Ted, who is keeping communication lines open between his brother's family and their Lemon Grove friends and neighbors.

The Blocks, all five of them who live at 2305 Washington were all injured severely March 3 when they became involved in a head-on collision 18 miles east of Hemet. The driver of the other car died in the explosion which resulted from the collision.

## Can't Have Visitors

Vernon and Norma Block, the mama and papa, are still so seriously injured that they cannot have visitors. Vernon's face was badly cut and doctors are still laboring to overcome the infection which resulted. He also suffered broken heels.

Norma, with spine, pelvis and rib injuries, is tightly corseted and immobile.

Vernon, Ted said, had just started back to work for the Golden Construction Co. as an engineer when the accident occurred. He had been unemployed for a long while previously.

Laura, the couple's six year old daughter and Mike, 11, are back in Lemon Grove at the homes of neighbors.

## Natalie In Tractor

Natalie, 13, is still in traction at the hospital but cannot have visitors because the rules at the hospital forbid youngsters under 16 as visitors. Some of her classmates drove over a couple of weeks ago and got to see her through a window. Natalie suffered a forehead injury as well as a fractured leg. The head in-

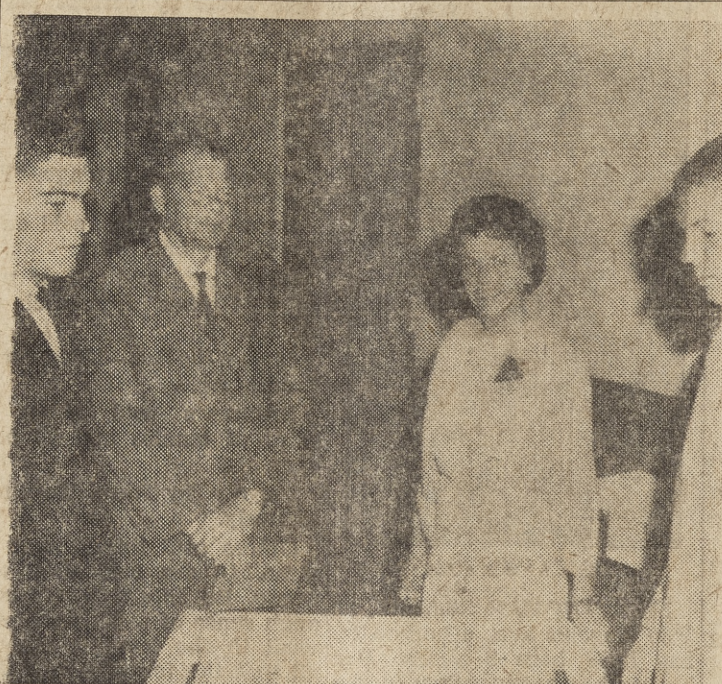

jury interfered with her sight so she will be slow in sending letters of thanks, her uncle said. She is having fun with green stamps being sent in lots of 10 by her well-wishers, the uncle added.

Meanwhile, funds are being held by Mrs. Betty Ruiz and Mrs. Stanley Yanchul, appointed by Co-ordinating Council president John Jensen to collect and administer funds voluntarily offered by friends of the Blocks. Dr. Jordan Detzer, pas-

tor of L.G. Methodist church was recently added to the committee to give whatever help and guidance the family might need. More than \$200 has been collected for the family, Mrs. Ruiz said.

Contributions may be made for the family to any of the foregoing persons.

Doctors at the hospital could not estimate how long it will be before the rest of the family are released.

**CAKE FOR ATHLETES**—A large cake was one of the attractions at the recent baseball and wrestling sports award banquet at Mt. Miguel High. # Grossmont College Postpones Action On Departmentalizing

Grossmont College Board of Trustees on Monday evening, April 1 postponed action on a recommended departmental structure for Grossmont College because of the absence of two of the five members. The proposed structure, developed by the Grossmont College Executive Council and presented by John S. Hansen, sets up departments and states tasks of department heads. A problem exists in the manner in which department heads would be paid. One system would be through release time; the other is by payment on an hourly basis. The College has functioned without departmental structure for two years, waiting to set up a permanent structure which would best suit specific needs. The matter will receive further study by the Board.

The Board approved continuing contracts for the College staff and approved the transfer of Robin Larson, El Cajon Valley High School mathematics teacher, to the College mathematics faculty for next year.

The American Federation of Teachers made a presentation to inform the Board that a local now exists on the Grossmont College campus.

# Griffins Strengthen Top Place In Baseball

The Grossmont College Griffins, leading the Eastern Conference League in baseball moved a full two games in front of Mt. Sac in the Eastern Conference baseball standings by defeating Chaffey in two games at home at Wells Park March 30. They whipped Chaffey 8-3 in the first game and needed 11 innings to turn back the visitors in the second game 4-3.

The Griffins collected 11 hits and scored eight runs in the first four innings of the first game. Lefty Dave Varvel pitched the entire game to notch the win, limiting the visitors to four hits while striking out ten.

Ron Scagliotti worked all 11 innings for the Griffins in the second contest, striking out 11 and giving up three hits.

Varvel, Steve McLoney, Bob Stephens and Rod Westcott led the Griffins at the plate. Varvel collected two singles and a double in the second game and went four for eight for the afternoon. McLoney also pounded four safeties, while teammates Ron Brown and Westcott collected three hits apiece.

"Hosanna!" This was the rapturous cry which rose in swelling volume as the multitudes approached Jerusalem on the day of Palms. What a travesty that in so short a time the same crowd would cry "crucify". Today people without a Divine sense of values will applaud royalty rather than follow righteousness.

## GOD'S MINUTE

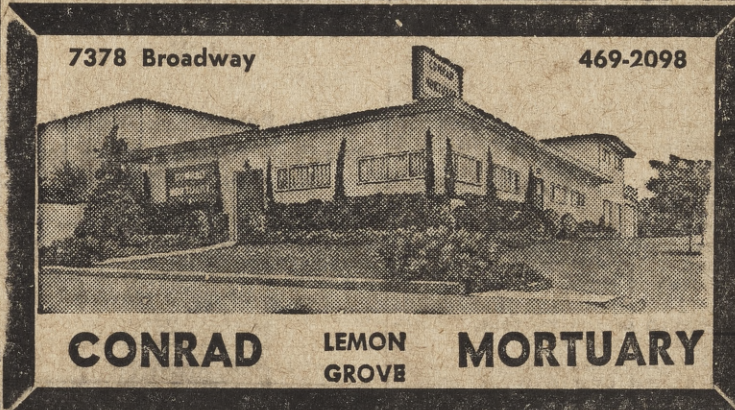

REV. H. C. BAKKEN

### "CONFRONTED"

On Sunday you will be confronted with Christ the KING. Pilgrims acclaimed Him KING as He rode into Jerusalem on Palm Sunday. Later in the week, it seems as though many forgot that they had acclaimed Him KING. Have you declared Christ KING in your life?

Lemon Grove

Lutheran Church Message

TO SING—The Wesleyan College Choir of Miltonvale, Kan., shown here during a recent rehearsal will give two free public concerts Sunday at Skyline Wesleyan Methodist Church in Lemon Grove.

## Sacred Concert Slated At Skyline Methodist

Under the direction of E. Stanley Banker, the 26-voice traveling Choir of Miltonvale Wesleyan College in Miltonvale, Kan., is appearing in sacred concert at Skyline Wesleyan Methodist Church on Sunday, April 7, at 8:30 a.m. and 11 a.m. according to an announcement by Rev. Orval C. Butcher.

Professor Banker, founder of

the Choir and in his seventh year as its director has prepared a concert which will be acceptable to all listeners in that the selections of the group range from the more stately choral numbers through Negro spirituals and into the beauty of the hymn and gospel song. Banker received his musical training at Marion College, the University of North Carolina and Western Reserve University. His experience includes supervising and teaching in the public schools of Indiana and South Carolina, the ministry of music in the Wesleyan Methodist Church of America, choral duties at three colleges and his present appointment as vice president of Miltonvale Wesleyan College.

# Failure To Get Licenses For Boats To Bring Fines

Starting this week, California's boaters will be in the same position as the automobile owner who hasn't registered his automobile—subject to citation.

The Coast Guard, sheriff's offices and other law enforcement agencies maintaining water patrols have indicated they will enforce the registration requirements after that date.

Current registrations have been provided all boat owners who applied for renewal before the February 4 deadline. Basic evidence that a vessel is currently registered is the Certificate of Number, the "ship's papers" which must be carried aboard

the vessel when it is in use. A three-inch square blue and white sticker is outward evidence of registration. Placement of the registration sticker is on the hull next to the number. Vessels showing proper number and stickers would normally not be stopped.

Boats which are moored or tied up must also carry the numbers and stickers. A boat is in use when it is in the water, whether underway, anchored, moored, or tied to dock.

Maximum penalties for non-compliance are \$50 for equipment and numbering violations and \$500 for reckless or negligent operation.

## LOOK WHO'S GETTING WED

SAN DIEGO (CNS) The following couples were issued licenses to wed last week:

Karl Kleasson, 20, E. C. and Susan Greenleaf, 19, L.G. Palmero, 20, both S.V.

Richard Pranger, 20, Navy and Lydia Hikel, 18, S.V.

Harmon Clark, 20, Seattle and Karen Ekloff, 19, S.V.

## Mrs. Long Elected Valley-Grove President 63-64

Mrs. A. J. Long was elected president of Valley Grove Council, California Council of Parents and Teachers for the 1963-64 school year.

She will attend the California State Convention at Los Angeles from May 8-10 as Valley Grove delegate.

Other new Valley Grove officers are Mrs. Edward Gurling, first vice president (program); Mrs. Robert Hill, secretary; Mrs. Leonard Binder, treasurer; Mrs. O. E. Downing, auditor and Mrs. R. J. Collette, historian.

The "Average man," says a national association of retail clothiers owns three suits and the "average woman" thinks her husband shouldn't pay more than \$60 for any one of them.
